

INTRODUCTION

OUR CORE VALUE AND SCOPE OF WORK

Customer's satisfaction, only agree to what we can deliver and always deliver what we agree to. A customer will spread the word about us - the word is positive if the customer is satisfied but negative if the customer is not.

PROFESSIONALISM

Be professional in every interaction with employees, customers, and vendors. Treat them with respect, honesty, directness, and always follow through.

TEAM WORK

Make teamwork by giving your best as a team member. At the same time, count on every member to play their part, as you would expect them to count on you. Every person has a role in a team.

ACCOUNTABILITY

Be willing to reap the rewards or accept the consequences of our commitments.

INTELLIGENCE

Utilize our intelligence to out-think the competition. Constantly drive creative ideas and work to produce the best ideas and practices.

LISTEN AND ACT

Listen well, entertain the ideas of others (both inside and outside the company) and seek counsel. Then act decisively, immediately.
